

Sin Cannot Be Justified

By David J. Stewart

Hebrews 3:13, “But exhort one another daily, while it is called To day; lest any of you be hardened through the deceitfulness of sin.”

So many people attempt to justify their wickedness. Do you know what the primary role of Planned Parenthood is? It's to convince women that they're doing the right thing by murdering their child. Abortion cannot be justified. Two wrongs don't make a right. A woman may feel like her pregnancy wasn't meant to be; but God is the Giver of life, and no man or woman has the right to take a life except God. Exodus 20:13 commands, “Thou shalt not kill.” THE TRUTH is that there is nothing “right” about abortion.

So many parents are willingly naive concerning the evils of Harry Potter's witchcraft. It's not just a series of books and movies. Harry Potter author J.K. Rowling has openly promoted homosexuality in her work, claiming that one of the main characters is a homosexual. There is nothing “right” about witchcraft. Harry Potter is evil no matter from what perspective you look at it.

Walt Disney has turned a generation of teenage girls into whores, Rock 'N' Rollers, feminists and brats who rebel against their parents. Sin cannot be justified. Walt Disney and Hollywood are controlled by Illuminati occultists, who are helping to fulfil the New World Order's agenda to corrupt America.

Divorce is an agenda of the New World Order. If they can destroy families, they can destroy a nation. Families have been under malicious attack in America for many decades.

One of the most hideous evils destroying the United States today is feminism, a Communist subversion...

Feminism is a grotesque fraud perpetrated on society by its governing elite. It is designed to weaken the American social and cultural fabric in order to introduce a friendly fascist New World Order. Its advocates are sanctimonious charlatans who have grown rich and powerful from it. They include a whole class of liars and moral cripples who work for the elite in various capacities: government, education and the media. These imposters ought to be exposed and ridiculed.

Women's oppression is a lie. Sex roles were never as rigid as feminists would have us believe. My mother had a successful business in the 1950's importing watchstraps from Switzerland. When my father's income increased, she was content to quit and concentrate on the children. Women were free to pursue careers if they wanted to. The difference was that their role as wife and mother was understood, and socially validated, as it should be. Until Gloria Steinem and the CIA came along.

Everywhere we turn in society these days, people are trying to justify every sin imaginable. Perhaps the greatest sin of all are the Bible-corrupters who have [butchered and changed the Word of God into a lie](#) for their own personal gain. They have made BILLIONS-OF-DOLLARS selling false Bibles, and there's a bunch more coming out!!! Please stay with the inspired and trustworthy King James Bible.

Sin cannot be justified. Romans 1:25 told us that the ungodly would pervert the Scriptures, trying to put different words into God's mouth; but THE TRUTH cannot be broken (John 10:35). What the Bible says will come to pass, whether you like it or not. Isaiah 13:11 promises us that the wicked will be punished, and the world for their sins. God will be vindicated in every way!

You can call the sky the ground if you want, but it's still the sky. You can call a circle a square, but it's still a circle. Truth cannot be changed. You can lie, and deceive people concerning what the truth really is; but you cannot change the truth. Truth is intolerable, irrefutable and precious. I love the truth! I don't always enjoy hearing the truth, and it sometimes hurts badly to know it, but I must have the truth if I am to live for God (John 4:24)! We live in a world of truth packaged in lies. Romans 1:18, "For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness." Men hold the truth in their unrighteousness. Even in their ugliest sins and evil, people know that they are in trouble with God; but they have *no fear of God before their eyes (Romans 3:18)*, they don't care!

There's going to be a lot of religious people in Hell. You had better repent of your unbelief and self-righteousness. The Bible speaks of *repentance from dead works* in Hebrews 6:1. That means you stop trying to merit your own way into Heaven, and you just let Jesus save you instead. [Salvation is of the Lord](#).

Every Man Did Right in His Own Eyes

Not Listening to God

*“When the last helper has fainted, the last cure has failed,
faith's last leaf has withered and your last friend has
faltered, there is a God in Heaven Who answers prayer
Who will care for you and provide for your needs.”*
